Michael,

Tetra Tech will have someone there, I am assuming you would like to visit the site on the 7<sup>th</sup> next week Wednesday?

Please note, there is a lot of activity on the north end of the site since the MDEQ has started preparation to remove the dam.

Mike

Andy,

I am going to be conducting a tour of Allied Landfill for the new RA on 12/7. The tour will start at 12 pm eastern. I will get there around 11 or so. Could you have someone there to provide access?

Thanks,

Michael
